- . Disinfects, cleans and deodorizes in one labour-saving step.

### APPLICATIONS

- . Listeria Fighting, multi-purpose germicidal, fungicidal & virucidal detergent

### DILUTION RATE

- . Disinfection & cleaning 1:64

Multi-purpose concentrated germicidal, fungicidal, virucidal detergent and deodorant is effective in hard waters up to 400 ppm plus 5% organic serum. Disinfects, cleans and deodorizes in one labour-saving step. Product inhibits the growth of mold and mildew and associated odours on hard non-porous surfaces such as walls, floors and tabletops. This ecological neutral disinfectant is effective in fighting the spread of VIH-1 by cleaning and decontaminating surfaces and objects soiled with blood and body fluids. This neutral disinfectant is the logical choice for health and safety and is preferable for the environment.
